Surveillance Detection for Law Enforcement & Security Professionals (PER-346)

Louisiana Tech University Hall
200 Keeny Circle
Ruston, LA 71270

April 30 – May 02 2018
8:00 am – 5:00 pm

Event Purpose

This course provides the participant instruction on how to detect hostile surveillance by exploring surveillance techniques, tactics, and procedures from a hostile perspective. These skills enhance counter-IED capabilities of law enforcement and security professionals to detect, prevent, protect against, and respond to IED threats.

Who Should Attend?

This course is ideal for law enforcement and public/private sector security staff.
